

British English Versus American English: Instructor Suggestions

Choose one or more of the following podcasts and have students listen alone or listen as a class.

- Names of Groups: British versus American English Usage [In the free version, the text and audio are separate.]
- American English versus British English
- Why Are British English and American English Different?

Remind students they can also read along using the transcripts. Ask each student to take notes on their general thoughts and observations as they listen.

Questions for Students to Consider

- What did they learn about British English?
- What did they learn about American English?
- Was anything surprising, or did they know this information already?

Ad-free versions of the podcasts and word-for-word transcripts are available through Macmillan Learning's Achieve and LaunchPad products. To learn more about digital products and purchasing options, please visit Macmillan's [English catalog](#) or ask your sales representative.
